

SRST Financial Scholarship Policy and Application

The SRST Financial Scholarships will be awarded on a first come, first served basis with unanimous approval of our Parent Board after all applications are reviewed. Deadlines for application submissions are prior to the start of the fall/winter season, with possible exceptions to new swimmers starting later in the fall/winter season. The amount of the Scholarship(s) will be dependent upon the financial situation of SRST at the time of application. Scholarship(s) will be applied to the Registration Cost associated with your swimmer's practice group. You will be responsible for all other associated fees, including but not limited to: team suits and caps, raffle tickets, and splash fees.

By applying for this Scholarship, you understand and agree that your swimmer is expected to participate for the duration of the fall/winter season, unless unforeseen circumstances arise (illness, injury, etc.) and the Parent Board is notified accordingly. Additionally, you understand and agree that you are expected to volunteer in some capacity at all home meets, and will obtain and submit your PA state clearances to the SRST Parent Board Secretary prior to the first home meet. Failure to meet these conditions will have an impact on future Scholarship applications.
